"Our mission as teachers is to protect and teach students not only those things they need to know but also the values and beliefs that will make them good citizens of our community and our country." Gary Bryant 2018

Dear Parents

Faction Carnival

WOW! What a carnival - A win for Lennard by only 1 point. The competition couldn't be any closer than that. We were lucky with the weather on Thursday allowing us to get through the full program without interruptions. My congratulations to all the students whose friendly competitive spirit made for a great atmosphere. My thanks to Di Hoffman for her tremendous organisation-just so smooth across both days and to the staff who dug in and supported Di throughout. A very big THANK YOU to parents as spectators and as the P and C for so successfully organising Subway lunches and the Cake Stall - just brilliant. **Well Done North Beach!**

Speak Up

Congratulations to both Zara Kok and Izzy Corderoy and being selected to go through to the annual Speak Up Awards Grand Final. I was present at the Preliminary Final and thought both girls gave fantastic speeches. There was a "joy" that was present that was absent from a few other speakers and I thought that both Zara and Izzy are getting better every time they speak. Good luck to both girls for the Grand Final on the 19th September.

I'd also like to make mention of Matilda Kerns who has been competing in the Carine Network Public Speaking Competition. Feedback from tournament organisers has been that Matilda's speeches were outstanding. Congratulations to her for her performances. Public speaking is a high order skill - in any list of those things feared by adults, speaking in public ranks very highly. This is why the performances of our North Beach students are to be celebrated.

School Board

The next School Board meeting (10th September at 3:15pm) is our annual "open" meeting. We throw open the doors of our meeting to all those who would like to attend and observe firsthand how our School Board operates. It's an observer's role only but it does give good insight into the workings of the Board and the scope of its work.

Along with the Parents and Citizens, the Board takes very seriously its commitment to making sure that North Beach remains a good and fair-minded public school. I encourage all those who wish to, to attend.

Have a beaut weekend.

Gary Bryant

Faction Athletics

Well done to Lennard for their win at last week's Faction Athletics Carnival. It was such a close competition and very exciting at the end.

I was very impressed with the Tabloid Sports and it was great to see everyone involved in a variety of activities.

Thank you to the parents and staff who assisted on both days of competition. A big thank you to Mrs Hoffman who organised the carnival.

Results

First	Lennard	543
Second	Hamersley	542
Third	Waterman	532

Champion Girl and Boy

Year Level:	Runner Up	Champion
Year 3 Girls	Xuri Dalton	Danja Worrad

NAIDOC Day Assembly and Celebration

Last Friday we celebrated NAIDOC Day. We were very fortunate to have Mrs Carol Foley visit the school for the day. Mrs Foley presented a “Welcome to Country” and then assisted the students with their art and cultural activities. Classes were also entertained by Nathaniel who played the didgeridoo for the students.

A big thank you for Mrs Coetsee for organising our visitors and the assembly. Thank you to Mrs Williams for the amazing song to finish the assembly off, to Mrs Van for the wonderful Art work and to all of the staff who assisted on the day.

Musical Evening

Congratulations to our School Choir and Instrumental Music students for their outstanding performance on Thursday evening. I was amazed by our talented students and the quality of their performance.

These students are a true inspiration to us all.

Thank you to Mrs Williams, Mr Gillam, Ms Bak and Mrs Davis.

Running Club

A reminder to parents and students that Running Club commences at 8.00am with sign in followed by the run at 8.05am.

Late arrivals will not be able to participate and will have to sit outside Room 8 until 8.30am.

Please remember it is very important to sign in and with your correct name.

Photos

Please be mindful when taking photos of your child/children that include other students that they are not to be uploaded for public use.

We must always be aware of creating and maintaining a safe environment that fits the purpose, provides positive experiences and ensures the safety of children.

The Kings Park Excursion

At 9:00am on Tuesday 21st August, Room 15 and the Year 2s from Room 13 went to Kings Park. We took the bus to Kings Park and when we got there we set up our base. Firstly, a lady named Sue told us a story about a little aboriginal boy and a 28 parrot. We learnt about hunting and we tried to kill a kangaroo with a honky nut (lucky the kangaroo was a fake!) She talked about aboriginal symbols and about aboriginal medicine. Next, we went on the python climbing tunnel. We loved the python and how you had to climb down the ladder. When we were on it, it started raining and some people stayed in a stick mia-mia that kept them very dry. Others stayed at base under cover. Then we went to the ropes. We all played around and loved having free time to explore. Next, we went to the water area. We got to take off our shoes so we could go up to knee height in the water. This was our favourite part of the excursion because it was fun playing in the dingo dens. Soon we packed up our stuff and got on the bus to return to school. It started raining again so we had to quickly get on the bus. When we got on, it rained all the way back but it was great fun riding back to school. There was only 20 minutes until home time when we returned to school. We had to pack and stack and shared our favourite parts of the excursion. It was a great experience. **Neve and Archie.**

Lucky Lunch

Thursday September 20, students from Year 6 will be once again holding a “Lucky Lunch” afternoon. There will be a variety of stalls selling milkshakes, waffles, cupcakes and fun games. All food and games are priced from 50 cents to \$2.50.

This is our major fundraiser for special charities our school supports. We are asking students to bring in some coins and support this terrific project.

Please come to the undercover area Thursday Week 10 at lunch and buy some tasty treats or take part in some games. **Year 6 students**

Board and Cards Games Wanted

We are looking for donations of non battery operated board and card games (no missing pieces, please) for our students to participate in weekly games sessions which will be held in the Library.

Your help is very much appreciated.

Ms Leanne Elliott

Canteen News

The Canteen is **CLOSED** on **21 Friday**. The new menu which is attached will commence on the first Friday of Term 4 (12 October). The Kindy and Pre-primary students are most welcome to order their lunches but unfortunately, no ice creams or hot items for recess are available—You will have to wait until you are in Year One!

When ordering would you please ensure that no foreign currency is used. These coins cannot be banked, so our Canteen loses money. Thanks for your cooperation. **Louise**

Book Fair

A flyer requesting assistance for our fabulous Book Fair has been sent home. Please complete days and times that you are to help and hand the information to the Front Office. The Book Fair is a wonderful event that enables students and parents to peruse and then purchase items from a great selection of books and novelties. The Fair commences on September 12 and concludes on September 20.

Calling for Volunteers – we need your help!

Our students really enjoy participating in the Commonwealth Bank School Banking program and to keep this program running we need your help.

The program requires a volunteer School Banking Co-ordinator to facilitate the banking and distribution of School Banking rewards. This only takes a small amount of your time one day a week and the Commonwealth Bank will provide support in how to run the program. Your help with the program will greatly benefit students as they develop vital saving skills and also help our school with fundraising.

Currently, School Banking day is Wednesday, but it's flexible.

If you are interested in volunteering for this great program, please email the School Office:

Northbeach.ps@education.wa.edu.au

Thank you!
