Dear Parents

Passed the halfway mark and there is much talk about Coronavirus. WA schools take all their advice from the Health Department of WA. We have been forwarding to our school community, each Advice Notice as they are published. The safety of your child(ren) is our utmost priority and so we evaluate the circumstances constantly. Until otherwise advised, we will continue to heed the advice from WA Health.

Parent/Teacher Interviews

By the time you receive this Newsletter, the window to register for a Parent/Teacher Interview would have closed. All parents received an invitation to register last Monday. During next week, we'll finalise the schedule for each class - many interviews will take place out of school time but if there is a heavy schedule we'll look at in school time as well. Interviews will take place from Week 8 until the end of term. These are not compulsory meetings.

ANZAC Service

If you are attending the dawn ANZAC Service held by the North Beach RSL this year, could I ask that your child/children wear School Uniform. We are not gathering as a school but having an official "gold and maroon" presence might be very effective. I know that many families do attend the annual RSL dawn service - as do I, making ourselves known by wearing the school colours may add to the level of respect for the service. This of course is subject to Coronavirus updates.

School Development Day

Our next School Development Day is scheduled for 28 April (Tuesday). This is a common day across the Carine School Network. There is a possibility of shared professional learning with other local schools. More information in the next Newsletter.

Communications Protocols

Attached to this newsletter is a copy of the school's Communication Protocols. The protocols outline expectations and processes that will assist staff and parents when communicating.

Please take time to read this document and if you have any questions please contact Mr Ward, Deputy Principal.

Faction Swimming Carnival

Our Faction Swimming Carnival will be held next Wednesday 18 March at the Craigie Leisure Centre commencing at 9.30am with presentations at 2.15pm.

A copy of the carnival program is attached with this newsletter.

Entry to the pool for parents and friends is \$2.00 and the Leisure Centre café will be open.

Hockey Lessons

Thanks to Jessie from North Coast Raiders for taking Monday's PE classes.

Mr Page's Year 2 class loved their session!

They especially loved "Dog and The Bone" and "Rob The Nest!"

Recycling

Did you know that North Beach Primary School recycles pens, markers and high-lighters?

Through the company TerraCycle, these are shipped off to Bic to be used in making new stationery.

A handy bin is situated in the covered verandah, next to the battery and mobile phone recycling bins.

We are also hoping to add toothbrushes and other oral care products to our recycling program.

Please send in any of the products pictured.
