

2026 Contributions & Charges

North Beach Primary School Board has endorsed the schedule of Contributions and Charges for 2026. This document outlines the voluntary contributions and possible maximum charges for 2026 to allow you to calculate the maximum costs that may be incurred for school activities.

1. Voluntary Contribution

The total amount of contributions parents/caregivers are asked to pay has been set at \$60.00 per student. Funds collected via contributions are placed directly into the resourcing of our current curriculum initiatives. These vital funds will enhance the quality of our teaching and learning programs for all students at North Beach Primary School.

While the payment of contributions is voluntary, it is expected that all families will make their contributions to assist the school and its students and equates to just **\$1.50 per week**. The following payment methods are available:

**Paid at commencement of the new year or in term instalments –
by Cash, CompassPay or Direct Deposit**

North Beach Primary School BSB: 066 192 Account: 1065 8168

Can also be pre-paid with the Personal Items List ordered through Campion

2. Charges

The charges schedule shows the estimated costs associated with special programs, excursions/incursions and other optional activities. The **estimated** values indicated for each year level (K-6) represent the **maximum** cost a parent should anticipate being charged for activities should their child participate in all activities likely to be planned throughout the year.

2.1 Charges: Educational Activities

Each child will be engaged in a variety of activities associated with educational programs. Charges for these programs vary from year group depending on the nature and range of activities undertaken. Students will only incur costs if they are involved in a particular activity and payment will be requested prior. If costs are a concern, parents may contact the Principal to discuss options.

2.2 Charges: Specific Programs

Some children will incur additional costs associated with specific programs. Parents will be notified and invoiced individually for these charges. Please note, instrumental costs may vary - students selected for the IMSS program receive detailed information from the School of Instrumental Music regarding costs.

3. P&C Approved Request

North Beach P&C requests a yearly contribution from families which assists in providing improved facilities and resources for the students at NBPS. The 2026 voluntary approved request is \$70.00 per child or \$120.00 for two or more children. This contribution can be paid with the Personal Items List order using the same options available for voluntary contributions. Your generosity is appreciated.

4. Personal Items Lists

Personal Items lists for each year group are available on our website. items may be purchased from any supplier, but we respectfully suggest you purchase via our recommended supplier, Campion. The school does not receive any rebates – any bulk purchase discounts are passed on to parents. Please note: It may be necessary to top up supplies throughout the year as needed.

5. ICT – Voluntary Approved Request

An ICT Voluntary Approved Request (VAR) has been introduced in 2026 to contribute to the cost of student iPad and laptop sets and worksheet printing. This equates to \$1.25 per week for students in PP-Year 6 and 75c per week for Kindergarten. Payment may be made using the same options available for voluntary contributions.

Non-participation fees e.g. entry fees – can be refunded or put toward another incursion/excursion upon request.

The release of this information is aimed at providing parents with the opportunity to plan ahead to meet the needs of their child's education.

Parents are invited to contact Administration to arrange payment plans if at any time they experience difficulty in meeting these costs.

Thank you for your ongoing support of North Beach Primary School and your child's education.
